THE GERMAN WOUNDED

Berlin, June 10. (By wireless, Sayville, L. I.)

The Germans are terrifically systematic about their care of the wounded. All their men found on the battlefield receive a "first aid dressing." Each is tagged with a card, which indicates whether he is badly hurt or not. From the battlefield the wounded men are taken back to the field hospitals or to headquarters. A man may be badly wounded and yet be back on the firing line in three months. Good pure blood is what helps the soldier through his wounds heal easily after antiseptic dressings. It is well for everybody to put the blood in good order. Don't trifle with health! Its too precious a possession. It is trifling to neglect the little every-day king of ailments. It is trifling, too, to take medicines of unknown or doubtful ingredients. If your stomach gets out of order, your food is not digested and, of course, your blood gets thin and you become weak, ready to be a prey to the disease germs always ready to attack the run-down and the anaemic. If your liver can't do its work, your blood becomes impure and many troubles follow. If your bowels are irregular, poisons accumulate in your body. Dr. Pierce's Golden Medical Discovery (in tablet or liquid form) helps the stomach to digest food properly, strengthens the liver, regulates the bowels. As a consequence you are vigorous, full of snap and life. Fifty years ago Dr. Pierce discovered that a glycerine extract of Golden Seal and Oregon grape root, of queen's root and bloodroot with black cherry bark would aid all the digestive organs to work as nature intended they should. Thousands have found that the "Golden Medical Discovery" has then introduced into the world has restored them health when suffering from stomach and liver troubles. Now is the time to try this famous remedy.—Adv.

Bathing in the white sulphur spring and fishing on the river is the chief pastime of our young people now.

The date of the demonstration will be posted on the bulletin board at the depot. Look for it.

Mr. G. J. Apel of St. Petersburg is visiting his family this week. Mr. Apel reports business as improving since in St. Petersburg.

Friends and acquaintances of little Helen Wimberly will be grieved to learn of her sudden death on May 24. Helen, aged 12, was the daughter of Mr. and Mrs. F. M. Wimberly. Mr. Wimberly was reared in Orange Springs. He and his wife and daughter spent last winter here visiting his parents, Mr. and Mrs. Newton Wimberly. The Columbus Citizen gives the following account of the little girl's death:

Standing on the westbound double track of the Pennsylvania railroad near Grandview, waving "by byes" and throwing kisses at a little baby nearby, Helen Ethel Wimberly, aged 12, was run down and instantly killed by a westbound passenger train shortly after 5 o'clock Monday evening.

The little girl, who is the daughter of Mr. and Mrs. F. M. Wimberly and granddaughter of Mr. and Mrs. C. C. Walcutt, of Dublin road, had spent the afternoon at Grandview. She had planned for a dinner party Tuesday evening at the home of her uncle and aunt, Mr. and Mrs. Harry Walcutt, of Goodale boulevard, and Wednesday she and her little playmates in Grandview were going on a bird hike, which they take every Wednesday afternoon.

In order to reach the home of her grandparents she had to cross the railroad tracks. A freight train was running slowly on the eastbound track, and the little girl stood on the westbound track waving to the little baby of Mrs. L. K. Godman, of Lincoln road, Grandview, who was in charge of Miss Mary Conway, Mrs. Godman's sister. Noise of the freight train prevented her from hearing the westbound passenger train, altho the engineer blew his whistle, rang the bell and tried to stop his train. The engine struck her and killed her almost instantly. Miss Conway called to her to notice the passenger train, but it was too late. The train crew carried the little girl to her grandparents' home. Her mother, who was formerly Miss Eva Walcutt, was prostrated with grief and was unconscious for sometime after she learned of her daughter's death. The playmates of the little girl instead of going birding Wednesday as they had planned will attend Helen's funeral at the Walcutt home at 10 o'clock on Wednesday morning. Burial will be made in Green Lawn cemetery.
